PRIVATE SEWING LESSONS WITH BELLA

On the surface, sewing looks so easy, until you actually have to fire up the sewing machine. Private lessons focus on the student developing a secure understanding on how the process of sewing interrelates with all the varied components, parts and steps necessary to complete a project. Bella's Studio is fully stocked with all the tools of the sewing trade: notions, sewing machines, fabrics and reference books.

Let Me Introduce You ~ 2-hour Private One-on-One Session

If learning to sew or returning to sewing is on your bucket list, but you're not sure how much of a commitment you want to make, come to the Studio and "test the stitches" first. During this 2-hour private session, Bella will show you the marvels of the modern sewing machine, books, and easy contemporary projects. We identify your specific area of interest and explore some options.
